TRIBUTE TO PADDY KEARNEY

I am orphaned today by the sad demise of my Brother Paddy Kearney, an incredible soul and a man of humanity, justice & peace.

We shared many platforms of Interfaith Prayers and I was proud to be associated with him as he and I were the founders of the Dennis Hurley Feeding Scheme.

His patience, care & concern for the poor & destitute was non-negotiable.

I pray for his soul to rest in peace, a very, very big vacuum to be filled by his loss.
