Much  

Hi Paddy,

We will miss you down here with us, but  
have no doubt that you will be keeping an  
eye on all of us, particularly the poor and homeless.

Your quick thought and legacy will remain  
with us in our quest for a fair and dignified  
South Africa for all!

David McQuinn-Moran

We shared a very traumatic moment in September 1977; my  
memories of Paddy since then have been of someone with  
steadfastness of purpose and principle, a person of wisdom  
and commitment. I will miss him deeply.

Paddy's Passing is a great loss to South Africa. Paddy was a tower of strength to many of us ~~in~~ who were active in the anti-apartheid movement in SA, especially in the UDF. Paddy provided us activists with a safe home. He provided us with quiet strength. We will miss him.

Mesteele Masepe.

Baba Paddy's passing is a sad shock for all of us. May he rest in Peace. It is a loss for all the Nation and Catholics.

Thank You

Dear Kearney family and all your extended loved ones. Duban will feel strange without Paddy. What a life he lived and precious legacy he is leaving. His welcome was undoubtedly "WELL DONE GOOD & FAITHFUL SERVANT." My memories of him started at the St. Andrew's Building where he had his Diakonia office. He helped with a venue there for "Birthright" to start recruiting for volunteers. I am so grateful for the incredible witness he was to me and so many people.

My deep and heartfelt condolences to you all. Micheline LaPorte (Yoga) asked me to also express her condolence Rae.

God bless you in the knowledge that we'll all meet again where there are no more tears. Warm affection. Merrilyn de GERSIGNY
