**WITH OUR DEEPEST AND HEARTFELT CONDOLENCES**

**Paddy Kearney (28 August 1942 - 23 November 2018)**

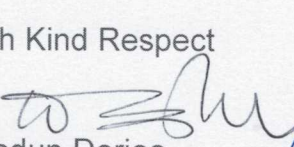

We were deeply saddened and shocked to hear of the news of the sudden passing away of Paddy Kearney on 23 Nov due to heart attack.

Besides being a tireless activist for the poor, the marginalised, for inter-faith partnership, social cohesion and peace, he was also an avid supporter of Tibetan people's struggle for Justice and freedom.

The Office of Tibet including its members and supporters convey our deepest sympathy to his family and loved ones for the loss of a gentle human being.

We offer our sincere and profound prayers for his soul to rest in peace. May all his meritorious deeds and services for the humanity ripen and shine upon him.

With Kind Respect
